STATE PERSONAL
LEAVE

The Board requires employees to differentiate the manner in which state personal leave is used:

NON-
DISCRETIONARY
USE

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

DISCRETIONARY
USE

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

LIMITATIONS
REQUEST FOR
LEAVE

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

DURATION OF
LEAVE

Discretionary use of state personal leave shall not exceed three consecutive workdays.

SCHEDULE
LIMITATIONS

Discretionary use of leave shall not be allowed on the day before a school holiday, the day after a school holiday, days scheduled for end-of-semester or end-of-year exams, days scheduled for state-mandated assessments, or professional or staff development days.

EXTENDED SICK
LEAVE

After all available state and local leave days have been exhausted, a full-time employee shall be granted in a school year a maximum of 20 leave days of extended sick leave to be used for the employee's catastrophic illness or injury, including pregnancy-related illness or injury, or for absences related to the catastrophic illness or injury of a member of the employee's immediate family.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

For professional employees, the average daily rate of pay of a substitute shall be deducted for each day of extended sick leave taken, whether or not a substitute is employed. For employees other than professionals, an amount equal to one-half the individual employee's daily rate of pay shall be deducted for each day of extended sick leave taken.

SICK LEAVE POOL

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only local leave for use by the eligible employee.

If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.

APPEAL

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.
