

Part (i): General Description of the Texas State Accountability System

On March 27, 2020, the U.S. Department of Education (USDE) waived statewide assessment, accountability, and certain reporting requirements in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year due to widespread school closures related to the novel Coronavirus disease (COVID-19). The waiver includes the report card provisions in section 1111(h)(1)(C)(i) (accountability system description).

Campuses Identified for Support under the Every Student Succeeds Act (ESSA) for the 2020-2021 school year are reported.

- (I) the minimum number of students that the State determines are necessary to be included in each of the subgroups of students for use in the accountability system;
- (II) the long-term goals and measurements of interim progress for all students and for each of the subgroups of students;
- (III) the indicators used to meaningfully differentiate all public schools in the State;
- (IV) the State's system for meaningfully differentiating all public schools in the State, including—
 - (aa) the specific weight of the indicators in such differentiation;
 - (bb) the methodology by which the State differentiates all such schools;
 - (cc) the methodology by which the State differentiates a school as consistently underperforming for any subgroup of students; and
 - (dd) the methodology by which the State identifies a school for comprehensive support and improvement;
- (V) the number and names of all public schools in the State identified by the State for comprehensive support and improvement or implementing targeted support and improvement plans;
- (VI) the exit criteria established by the State, including the length of years established.

Part (ii): Student Achievement by Proficiency Level

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(ii) (assessment results) for the 2019-2020 school year.

This section provides information on student achievement on the STAAR (State of Texas Assessments of Academic Readiness) performance for mathematics, reading/ELA, and science by grade level and proficiency level for the 2019–20 school year. These results include all students tested, regardless of whether they were in the accountability subset.

Part (iii)(I): Academic Growth

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(iii)(I) (other academic indicator results) for the 2019-2020 school year.

This section provides information on students' academic growth for mathematics and reading/ELA for public elementary schools and secondary schools without a graduation rate, for the 2019-2020 school year. These results include all students tested, regardless of whether they were in the accountability subset.

Part (iii)(II): Graduation Rate

This section provides information on high school graduation rates for the class of 2019.

Part (iv): English Language Proficiency

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(iv) (English language proficiency results) for the 2019-2020 school year.

This section provides information on the number and percentage of English learners achieving English language proficiency based on the 2020 TELPAS (Texas English Language Proficiency Assessment System) data.

Part (v): School Quality or Student Success (SQSS)

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(v) (school quality or student success indicator results) for the 2019-2020 school year for elementary schools and secondary schools without a graduation rate. For secondary schools with CCMR (college, career, and military readiness) data, the results are reported.

This section provides information on the other indicator of school quality or student success, which is college, career and military readiness (CCMR) for high schools and average performance rate of the three STAAR performance levels of all students, regardless of whether they were in the accountability subset, for elementary and secondary schools without a graduation rate.

Part (vi): Goal Meeting Status

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(vi) (progress toward meeting long-term goals and measurements of interim progress) for the 2019-2020 school year.

This section provides information on the progress of all students and each student group toward meeting the long-term goals or interim objectives on STAAR academic performance, federal graduation rate, and English learners' language proficiency.

Part (vii): STAAR Participation

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(vii) (percentage of students assessed and not assessed) for the 2019-2020 school year.

This section provides the percentage of students assessed and not assessed on STAAR for mathematics, reading/ELA, and science.

Part (viii): Civil Rights Data

Part (viii)(I): The section provides information from the 2017-2018 Civil Rights Data Collection (CRDC) surveys, submitted by school districts to the Office for Civil Rights, on measures of school quality, climate, and safety, including counts of in-school suspensions, out-of-school suspensions, expulsions, school related arrests, referrals to law enforcement, chronic absenteeism (including both excused and unexcused absences), incidences of violence, including bullying and harassment.

Part (viii)(II): This section provides information from the 2017-2018 CRDC surveys, submitted by school districts to the Office for Civil Rights, on the number of students enrolled in preschool programs and accelerated coursework to earn postsecondary credit while still in high school.

Part (ix): Teacher Quality Data

This section provides information on the professional qualifications of teachers, including information disaggregated by high- and low-poverty schools on the number and percentage of (I) inexperienced teacher, principals, and other school leaders; (II) teachers teaching with emergency or provisional credentials; and (III) teachers who are not teaching in the subject or field for which the teacher is certified or licensed.

Part (x): Per-pupil Expenditure

To be updated by June 30th, 2021.

This section provides information on the per-pupil expenditures of federal, state, and local funds, including actual personnel expenditures and actual non-personnel expenditures, disaggregated by source of funds, for each school district and campus for the preceding fiscal year.

Part (xi): STAAR Alternate 2 Participation

Due to the impact of COVID-19, the USDE waived reporting requirements in Section 1111(h)(1)(C)(xi) (number and percentage of students with the most significant cognitive disabilities taking an alternate assessment) for the 2019-2020 school year.

This section provides information on the number and percentage of students with the most-significant cognitive disabilities who take STAAR Alternate 2, by grade and subject for the 2018-2019 school year.

Part (xii): Statewide National Assessment of Educational Progress (NAEP)

This section provides results on the state academic assessments in reading and mathematics in grades 4 and 8 of the 2019 National Assessment of Educational Progress, compared to the national average of such results.

Part (xiii): Cohort Rate of Graduates Enrolled in Postsecondary Education

This section provides information on the cohort rate at which students who graduated from high school in the 2017-2018 school year enrolled in a Texas public postsecondary education institution in the 2018-2019 academic year.
